I, _____, recognize that the grounds of the Perryville Battlefield State Historic Site are closed from dusk to dawn, and walking the site after dark may be considered a dangerous activity. While it is the intent of the Kentucky Department of Parks to make any activities or work on the event site as safe as possible, there can be no guarantees of absolute safety. This site is composed of undeveloped land that cannot be made completely safe without destroying its rustic character. In addition, this type of activity may be considered strenuous and held in prevailing hot and/or wet weather conditions. In exchange for being allowed to participate in the activities related to paranormal investigations ("the event"), I release the Commonwealth of Kentucky, Tourism Cabinet, Kentucky Department of Parks, and agents, officers, and employees thereof, from any and all claims for personal injury or loss, financial loss of any kind or suffered, or damage to personal property suffered or sustained by me.

I also agree to assign to the Kentucky Department of Parks, or its employees, agents or representatives, the right to use my image in recorded video or photographic still image form taken during the event without restriction, and do hereby waive all rights to compensation for the same.

I also understand that this document is only good for the date and time requested on the Agreement and I must vacate the premises after the time expires.

I further understand that the activities referred to only cover the grounds and do not entitle me access to any building, structure, or any other areas of the park that are restricted to the public for reasons of safety and security.

I further understand that this activity must be scheduled in advance and that there is a cost for said activity. I further understand that any violation of park policies or laws will result in a revocation of invitation and, as a result, I can be evicted from the site without notice and without refund.
